EU Party

Schedule of commitments in conformity with Article ...

(Cross-border supply of services)

1. The list of commitments below indicates the service sectors liberalised pursuant to Article ... and, by means of reservations, the market access and national treatment limitations that apply to services and service suppliers of Vietnam in those sectors. The list below is composed of the following elements:
 - (a) the first column indicating the sector or sub-sector in which the commitment is undertaken by the EU Party, and the scope of liberalisation to which the reservations apply; and
 - (b) the second column describing the applicable reservations.

Cross-border supply of services in sectors or sub-sectors covered by this Agreement and not mentioned in the list below is not committed.
2. In identifying individual sectors and sub-sectors:
 - (a) **CPC** means the Central Products Classification as referred to in footnote 20 to Article 8.22; and
 - (b) **CPC ver. 1.0** means the Central Products Classification as set out in Statistical Office of the United Nations, Statistical Papers, Series M, N° 77, *CPC ver 1.0*, 1998.
3. The list below does not include measures relating to qualification requirements and procedures, technical standards and licensing requirements and procedures when they do not constitute a market access or a national treatment limitation within the meaning of Articles ... and ... Those measures (e.g. need to obtain a license, universal service obligations, need to obtain recognition of qualifications in regulated sectors and need to pass specific examinations, including language examinations), even if not listed, apply in any case to services and service suppliers of Vietnam.
4. The list below is without prejudice to the feasibility of the cross-border supply of service provided in Article ... in certain service sectors and sub-sectors and without prejudice to the existence of public monopolies and exclusive rights as described in the list of commitments on establishment.

5. In accordance with Article ... paragraph ..., the list below does not include measures concerning subsidies granted by a Party.
6. The rights and obligations arising from the list below shall have no self-executing effect and thus confer no rights directly to natural or juridical persons.
7. The term “investor” mentioned in this schedule of commitments shall be understood as the term of “entrepreneur” defined in Article ...
8. The EU takes commitments differentiated by its Member States, where applicable
9. For greater certainty, for the European Union, the obligation to grant national treatment does not entail the requirement to extend to nationals or juridical persons of the other Party the treatment granted in a Member State to the nationals and juridical persons of another Member State pursuant to the Treaty on the Functioning of the European Union, or to any measure adopted pursuant to that Treaty, including their implementation in the Member States. Such national treatment is granted only to legal persons of the other Party established in accordance with the law of another Member State and having their registered office, central administration or principal place of business in that Member State, including those legal persons established within the EU which are owned or controlled by nationals of the other Party.
