Those measures (e.g. need to obtain a license, universal service obligations, need to obtain recognition of qualifications in regulated sectors, need to pass specific examinations, including language examinations), even if not listed, apply in any case to services and services suppliers of the EU Party.

6. The list below is without prejudice to the feasibility of Mode 1 in certain services sectors or sub-sectors and without prejudice to the existence of public monopolies and exclusive rights as described in the list of commitments on establishment.

7. In accordance with Article [1(3)] of the Agreement, the list below does not include measures concerning subsidies granted by the Parties.

8. The rights and obligations arising from this list of commitments shall have no self-executing effect and thus confer no rights directly to individual natural persons or juridical persons.
